

PAIRING STUDENTS WITH GUARDIANS IN CANVAS

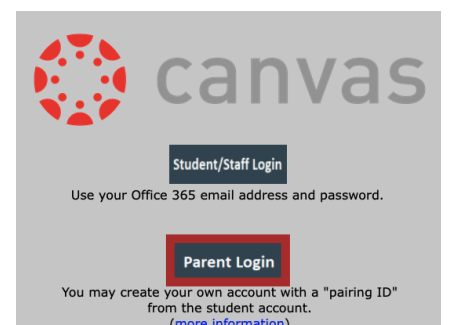

Step 1: Generate a Pairing Code

- 1 If your student's teacher has provided you with a pairing code, **skip to Step 2**.
- 2 Have your student **log into their Canvas Account**.
- 3 Click **Account** from the global navigation bar on the left side of the screen.
- 4 Select **Settings**.
- 5 From the Settings page, select **Pair with Observer** on the right side of the screen to generate a pairing code. The code will expire in 7 days.

Step 2: Create an Observer Account

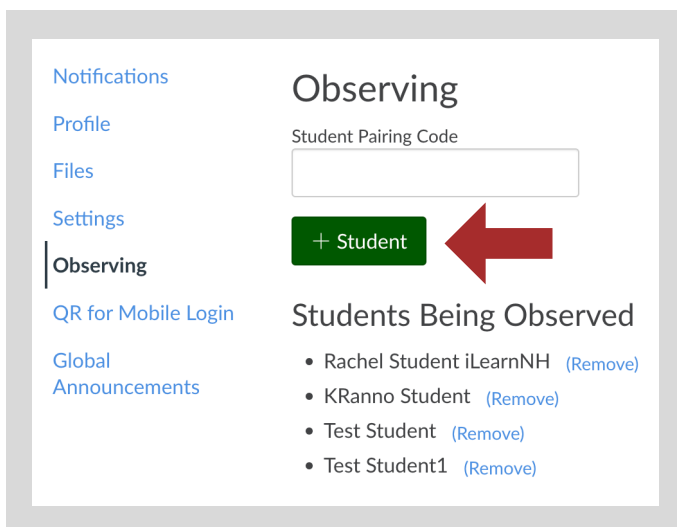

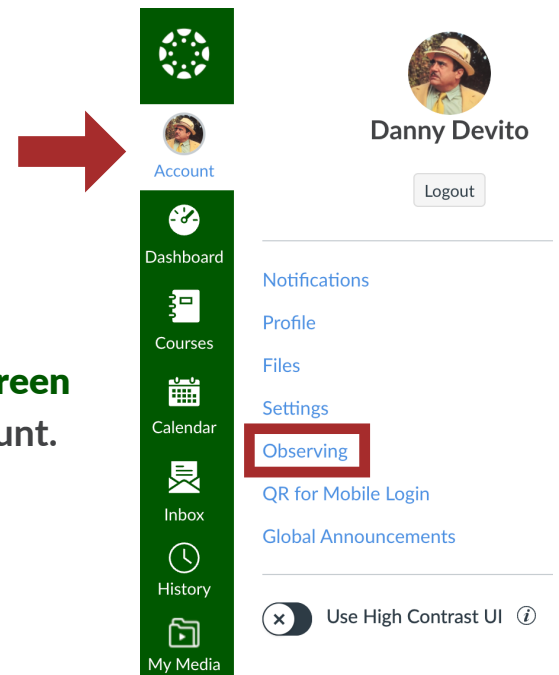

- 1 From the Canvas page for your district, click **Parent of a Canvas User? Click here for an account** in the upper right corner.
- 2 Enter your information, create a password, and enter the student pairing code you generated in Step 1.

PAIRING STUDENTS WITH GUARDIANS IN CANVAS

Step 3: Pair with Additional Students

- 1 Log into your Canvas account.
- 2 Click **Account** from the global navigation bar on the left side of the screen.
- 3 Select **Observing**.
- 4 On the new screen, add the student pairing code generated by the student or teacher. Select the **green +Student button** to add the student to your account.
